A reminder about rehearsals will be sent out before the start of each week, on a Monday. Communication will be by **email** so please ensure that you check your email address on a regular basis, including the junk folder! The schedule above takes account of all known absences notified by the cast as at 3 January 2019 and has been put together with the aim of minimising the number of rehearsals actors need to attend and maximising their involvement when they do! But, as with all schedules, it will change!
